Light, intensively moisturizing emollient cream.	Rapidly absorbed multi-functional emollient cream. Also for allergic skin.	Intensively moisturizing cream for the whole body. Contains 20% glycerol.	Moisturizing, light and well absorbed emollient cream for the whole body.	Protects the skin from drying and improves the elasticity of the skin. Contains glycerol.	Emollient cream for dry and eczematous skin. Also suitable for the sensitive skin of babies.	Greasy, caring emollient cream. Specially designed for psoriatics.	Cosmetically pleasant ceramide cream, particularly for atopic skin. Also suitable for facial use.	For dry and slightly dry, atopic and psoriatic skin. Contains the skin's own protective lipids, such as ceramides. Cosmetic.	Contains 5% carbamide and rich in glycerol, which strongly bind moisture to the skin. For normal, dry and atopic skin.	Medium rich carbamide cream. Contains 5% carbamide, xylitol, rich in glycerol and shea butter which protects, repairs and nourishes the skin. For normal, dry and atopic skin.	Liposome cream. Long-acting, caring cream for dry and atopic skin.	Rich emollient cream, which contains skin renewing and immune defense strengthening Lactococcus Lactis cell extract. Cell extract helps to strengthen skin's own protective barrier by protecting the skin from external stress factors. Glycerol maintains skin's moisture balance and shea butter softens and nourishes skin.	Light probiotic face cream, which contains Lactococcus Lactis cell extract. Also suitable for moisturizing acne-prone skin. Active ingredients support and calm the skin.
<p>Orion's emollients do not contain parabens, fragrances or colorants. They only contain substances that are also suitable for people with eczema.</p>													
<p>Underlined packages have basic reimbursement (40%) when prescribed for a long-term skin disease by a doctor.</p>													
<p>These emollients contains:</p> <p>Antiseptic ingredients: Humektan (butyleeninglykoli), Probicare (butyleeninglykoli) Probicare Pro (butyleeninglykoli)</p> <p>Substances of animal origin: Aqualan Plus, Ceralan Plus</p> <p>Mineral oils: Ceralan, Ceralan Plus, Carbalan, Hydran, Lipolan, Novalan</p> <p>Preservative-free: Probicare, Probicare Pro</p>
